“四位一体”改革整体推进 Introducing "four-pronged" reform

以改革促发展，上海整体推进企业、市场、社会保障和政府“四位一体”配套改革，逐步建立“产权清晰、权责明确、政企分开、管理科学”的现代企业制度基本框架，构筑多层次、多功能、现代化的大市场体系。正确处理改革、发展、稳定三者关系，实施“两级政府、三级管理”体制，探索建立特大型城市管理新模式，逐步建立和完善覆盖全社会的养老、住房、医疗、失业保险等社会保障体系。

Market is driving and a comprehensive reform involving the state, enterprise, the market, the social securities system and the government. The purpose is to gradually establish a modern enterprise system, under which enterprises have clearly-defined rights and asset ownership, the government takes care of the social welfare, leaving the enterprise to run business on their own. The city will establish a modern market system, strike a balance between reform, development and social stability, experiment with a new model of urban administration, and improve its housing, health care and welfare programs for the elderly and the unemployed.
